

FS C.I.P. CLEANER

Low-foaming, in-place cleaner

DESCRIPTION

A premium, low-foaming, liquid caustic detergent for use in atomizing, pressure washing, boil-out, soak, gel, and circulation (C.I.P.) cleaning.

FEATURES

- Economical
- Labor-saving
- Heavy-duty
- Low-foaming
- Multi-functional
- Color-Coded

BENEFITS

- Extremely concentrated for high levels of dilution - allows for low use cost.
- Reduces the need to disassemble some types of equipment. In most cases, eliminates the need for manual brushing.
- Powerful cleaning action quickly and effectively removes many tough soils.
- Reduced foaming levels enhance CIP cleaning and rinsability. Eliminates the need for expensive defoamer additives.
- Can be used in a variety of applications, reducing the need for additional products.
- Product and labeling is color-coded orange for use with other color-coded Zep food systems products.

APPLICATIONS

Use in food plant operations where heavy-duty soak, boil-out, or circulation (C.I.P.) cleaning methods are required, such as:

- | | |
|---------------------|----------------------------|
| Dairy Farms | Bottling Companies |
| Beverage Plants | Fish & Seafood Preparation |
| Meat Packing Plants | Poultry Dressing Plants |
