

# PRODUCT SPECIFICATION REPORT

Zep-I-Dine™ is a concentrated liquid cleaner, disinfectant and no-rinse sanitizer containing solubilized iodine, a mild mineral acid, surfactants and water.

## ZEP-I-DINE™

Concentrated Iodine Cleaner-Disinfectant

PROD. #1830

### FEATURES/BENEFITS:

|                              |   |
|------------------------------|---|
| Non-Staining                 | In its in-use dilution, product is non-irritating, non-toxic and non-staining to skin and no taste or odor is left on sanitized surfaces.   |
| Broad-Spectrum Effectiveness | EPA registered bactericide, fungicide and virucide  |
| Concentrated                 | May be diluted at 3 oz. per 5 gallons of water (75 ppm) to clean and disinfect surfaces, followed by a rinse; and 1 oz. per 5 gallons of water (25 ppm) for sanitizing equipment or employees' hands, with no subsequent potable water rinse required. See label for specific directions. |
| USDA Applicable              | For use in federally-inspected meat and poultry plants as a sanitizer for all surfaces (D2) and for employees' hands (E3) with no potable water rinse required.   |

### APPLICATIONS:

Zep-I-Dine™ may be used as a cleaner, disinfectant or sanitizer in restaurants, food processing plants, dairies and many other places where bacteria is a problem. Particularly useful in: airport terminals, child daycare centers, cleaning and maintenance services, eating & drinking establishments, hotels & motels, nursing homes & hospitals, Schools & education services, and sport & recreation clubs.
