

## PRODUCT SPECIFICATION REPORT

# FS BAKERY PAN CLEANER™

## Non-foaming alkaline cleaner for soft metals

### DESCRIPTION

A heavy-duty, non-chlorinated, non-foaming, alkaline detergent recommended for pan and tray washing, CIP cleaning, pressure and foam cleaning, and floor cleaning. Formulated especially for use on aluminum, zinc, and galvanized metals.

### FEATURES

- Excellent for use on Aluminum, Zinc, and Galvanized Metals
- Low Foam
- Convenient
- Versatile
- Biodegradable

### BENEFITS

- Alkaline builders are buffered so product will clean aluminum without etching or corroding
- Formulated with low foaming detergents so foam is not a problem when used through CIP, circulation equipment, and pan and tray washing machines
- Since FS Bakery Pan Cleaner is a liquid, it does not require extreme agitation to put it into solution as do most powders.
- Can be used as a pan and tray wash, CIP cleaner, pressure and foam cleaner, and floor cleaner.
- All detergents used in the manufacture of this product are biodegradable.

### APPLICATIONS

Recommended for use in:

Canneries  
Seafood Processing Plants  
Meat and Poultry Processing Plants

Dairies  
Wineries  
Institutional Kitchens

Bakeries  
Bottling Plants

### COMPANION PRODUCTS

FORMULATED ESPECIALLY  
FOR USE ON ALUMINIUM, ZINC,  
AND GALVANIZED METALS

Authorized by USDA for use in federally-inspected meat and poultry plants.

### DIRECTIONS:

**FOR PAN AND TRAY WASH:** Add at a rate of 1/4 to 2 ounces per gallon of water, by either injecting automatically into dishwashing machines or add manually to wash water.

**FOR CIP CLEANING:** Dilute 1 to 2 ounces per gallon of water, depending on degree of soil. Circulate through system. Rinse with potable water.

**FOR PRESSURE AND FOAM CLEANING:** Dilute 1 to 3 ounces per gallon of water, depending on degree of soil. Apply solution to soiled surfaces; scrub, if necessary, and rinse with potable water. To increase foam level, add ZEP FOAM-STA at a rate of 1 ounce per gallon of working solution.

**FOR FLOORS:** Dilute 1 to 3 ounces per gallon and scrub floor with an automatic floor scrubber or manually with a broom. Rinse floor thoroughly.

### DANGER!

CAUSES EYE BURNS

Can cause severe skin and eye irritation or inflammation. Inhalation of spray mists or vapors may cause respiratory tract irritation. DO NOT breathe vapors or spray mist. DO NOT swallow this product. Repeated exposure can have cumulative effects. Exposure may aggravate existing skin, eye, or respiratory disorders. Further information on the effects of overexposure is included on the Material Safety Data Sheet, which is available upon request.

Zep advocates limiting exposure to all chemical products. Wear tight-fitting, splash-proof safety goggles during product use, especially contact lens wearers. Wear natural rubber, nitrile, neoprene, or other resistant gloves. Use product in well-ventilated areas only; open windows/doors and use exhaust fans in enclosed areas. Remove contaminated clothing promptly and DO NOT rewear until thoroughly cleaned. After handling, wash hands thoroughly with soap and water.

### FIRST AID:

**EYES:** Immediately flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical attention immediately. **SKIN:** Immediately flush contaminated skin with plenty of water for at least 15 minutes. Get medical attention if irritation develops. **INHALATION:** Move exposed person to fresh air.

If irritation persists, get medical attention immediately. **INGESTION:** If this product is swallowed, DO NOT induce vomiting. If vomiting occurs, keep head below hip level to prevent aspiration (breathing) of fluid into the lungs. If affected person is conscious, give plenty of water to drink. Get medical attention at once. **DISPOSAL AND/OR SPILL INFORMATION:** As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as Zep-O-Zorb or Zep Super Sorbent and deposit in a clean, sealable D.O.T. specification container for disposal as a hazardous waste. Rinse area well with water. **STORAGE:** Store tightly-closed container in dry area at temperatures between 40°F (4°C) and 120°F (49°C). DO NOT store at temperatures below 32°F (0°C). Keep this product away from food and food products.

**KEEP OUT OF REACH OF CHILDREN  
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY  
NOT FOR HOUSEHOLD USE OR RESALE**

### PRECAUTION:

**AL USUARIO:** Si usted no lee inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. **(TO THE USER:** If you cannot read English, do not use this product until the label has been fully explained to you.)
